To all supporters of the Bryn Mawr Hound Show:

We are excited to use our updated online entry system this year, it will be available for entries in April through www.BMHoundshow.org!

Please make sure your hunt email is up to date; this is how we will send information and confirm entries for your hunt.

We will continue to receive all entries by online system ONLY. You may not scan or email your entries. If you need assistance please contact the entry secretary, Nancy Danks.

On show day, No SUBSTITUTIONS or POST ENTRIES - SCRATCHES ONLY. Please review conditions before entering hounds. You may enter 5 hounds per class in your online entry, for options on show day, only 5 will be listed in catalog. Please understand that 3 entries are still the limit per class, all others will need to be scratched from your Green Sheet with the appropriate ring steward before judging begins at 8:30am.

Thank you for your patience and participation in making this year another great year to show at Bryn Mawr! We are looking forward to seeing everyone and your hounds at the show this our 111th anniversary.

Please do not hesitate to contact Nancy Danks at entry@bmhoundshow.org or 484-459-5433 if there are any questions.

Sincerely,

Nancy Danks
